GENERAL

How can I ship goods to COP28?

The UAE is well connected to the world through direct and connecting international flights and ocean routes, and through an extensive road network with GCC countries. There are a vast number of freight forwarding providers in the UAE, including global logistics industry leaders and locally grown freight forwarders. For inquiries, a freight forwarder of your choice can be contacted.

Does COP28 provide shipping services for COP28 participants?

COP28 does not provide any shipping services. However, to facilitate a smooth logistics experience for all participants, COP28 has partnered with one of the world's leading logistics provider Kuehne+Nagel and appointed them as the official Logistics Service Partner of COP28 UAE.

Which logistics services does Kuehne+Nagel provide?

Kuehne+Nage provides the following logistics services: freight forwarding, restricted goods permits and approvals obtaining in UAE, customs brokerage, last mile delivery and other miscellaneous logistics services onsite. The full scope of services provided in the UAE, as well as onsite services, and applicable rates are specified in the Rate Card which can be downloaded from <https://cop28.com/en/shipping-logistics>.

Can I choose another logistics company to deliver goods to COP28?

Yes, Participants can choose any freight forwarder of choice. However, deliveries to the COP28 venue are exclusively managed by the official Logistics Service Provider due to limited access to the COP28 venue. If a third party freight forwarder is selected for delivery of goods to the UAE, such parties must deliver customs cleared goods to the Logistics Service Provider's warehouse, and the Logistics Service Provider will deliver the goods to the venue as per instructions provided.

How can I get in touch with the official COP28 Logistics Service Provider?

All logistics inquiries can be sent to cop28@kuehne-nagel.com

How can I find out more information about shipping goods to COP28?

Please visit <https://cop28.com/en/shipping-logistics> for guidelines on how to ship goods to COP28. Here you will find a guides on the following topics: Freight Forwarding and Customs Clearance, Service Request Manual, Delivery to Venue as well as the Rate Card in PDF format. All guides can be downloaded for further reference.

Legalization of import documentation is not required. However, e-attestation of the invoice is required for goods with a value exceeding AED 10,000. For more details, please contact your selected freight forwarder.

How long does it take to customs clear goods in the UAE?

It depends on the type of importation, goods category and mode of transportation, but usually the customs clearance process takes 1-3 days.

Does my cargo go through customs inspection?

If the Customs Authority has a reason to doubt the truth or accuracy of the details provided during customs clearance, goods will go through a customs inspection. Also, occasional or random customs inspections might be applicable.

Who arranges goods insurance?

It is the responsibility of the Shipper/Exporter to arrange comprehensive cargo insurance that is valid through to the goods arrival at the COP28 venue.

How can I ship some goods to COP28 via express courier companies?

This is a sole responsibility of a participant to use a courier service for delivery to COP28. However, the access to the venue will be limited closer to the event so no external companies will have an access to the venue. Express courier shipments must be delivered to Logistics Service Provider's external warehouse and after it will be delivered to the venue. The respective charges will be applicable for handling and delivery of such shipments to the venue.
